

el::base::StaticClass

```
classDiagram
    el::Helpers --|> el::base::StaticClass
```

A UML class diagram illustrating inheritance. The superclass, `el::base::StaticClass`, is represented by a white rectangular box with a black border at the top. The subclass, `el::Helpers`, is represented by a gray rectangular box with a black border at the bottom. A solid red arrow points from the top of the `el::Helpers` box to the bottom of the `el::base::StaticClass` box, indicating that `el::Helpers` inherits from `el::base::StaticClass`.

el::Helpers
