

UdpSocket

```
classDiagram
    class UdpSocket
    class UdpTransmitSocket
    UdpTransmitSocket --|> UdpSocket
```

A UML class diagram illustrating inheritance. At the bottom is a gray-shaded box labeled 'UdpTransmitSocket'. A blue arrow points vertically upwards from the center of this box to the center of a white box labeled 'UdpSocket' at the top. The arrow's head is a solid blue triangle pointing towards the 'UdpSocket' box.
